Plano, Texas is truly the land of plenty. Blending historic charm with modern luxury, the city brims with attractions and amenities and offers a wide variety of hotels and restaurants. With world-class shopping, a lively arts and nightlife scene, abundant natural beauty, and four walkable districts, Plano is the perfect city for a leisurely family weekend trip, a romantic getaway, or for corporate travel. Plano's close proximity to Dallas Fort Worth International Airport and Dallas Love Field Airport makes it easily accessible from most of the country.

History

The first settlers came to the Plano area in the 1840s. A sawmill, gristmill and a store helped the area grow. The city was officially incorporated in 1873, a year after the Houston and Texas Railroad was completed. In 1881, a fire destroyed most of the city's business district, but it was quickly rebuilt. Plano grew steadily over the years, but its population "exploded" during the 1980s. During this time, many large corporations, such as JCPenney and The Frito-Lay Company, moved their corporate headquarters to Plano. The city was recognized as an All-American City in 1994.
